## 2015-16

SSM College Parihaspora Baramulla  
Office of Training & Placement

### Principal's Desk

*SSM College of Engineering primarily intends to nurture the shelved potential in students providing an ideal platform for them to channelize their creative outbursts and lend expression to their thoughts and views on various aspects in serene manner.*

*Our Institution believes that the purpose of education is to turn mirrors into windows, and as such are focused not only on pure studies but also on providing opportunity to each student to explore his or her own capabilities and their area of interest - curricular, co-curricular or extra-curricular. We aim to develop soft skills that will equip them to manage and lead the varied opportunities and challenges of the society with an added edge.*

*We believe that complete development of a student into a holistic person requires active participation of the parents too. Thus, the institution is in constant touch with parents informing them about the performance of their wards through correspondence and dialogues.*

*Dr. Sajad HUssain Din  
(Principal)*

## Message from TPO

*This is an era of technological innovations. The modern educational world is reverberating with the waves of innovation all around the world. In this dynamic milieu, it is mandatory that the young minds of our country be nurtured and encouraged to be placed at the highest pinnacle of success. The Training and Placement cell of HMRITM is an integral part of the academics. It helps in shaping the careers of our students.*

*The Cell continuously explores different areas of opportunities for Placement and maintain liaison with industries for Summer Placement as well as Final Placement of students. Institution has made constant efforts to provide knowledge-based expert services for satisfying the needs of the industry and thus helping in building a positive attitude in the young minds of this generation and prepare the youths to face the challenges of the corporate world.*

*My gratitude is due to our regular recruiters who have shown consistent faith in the institute's value system. Also, with great warmth, I graciously welcome our new recruiters who have joined us this season and look forward to an everlasting symbiotic relationship with them.*

Mrs. Insha S. Qazi  
(TPO)

Office of Training & Placement

The college has a separate Office of Training and Placement managed by a dedicated team. OTP is a platform for the Training and Placement of students and acts as a window between students and the outside organizations. The Office of Training and Placement establishes contacts with industrial houses to arrange training and placement of the students. The Office of Training and Placement guides and helps the final year students in securing fruitful career with their knowledge and achievements, by organizing campus Interviews and exploring various avenues for their placement. Previously, OTP had MoU with TCS to train the students for placement. The department extends all possible help and provides all available infrastructure facilities to the organizations and their respective officials conducting campus interviews in the college campus. OTP conducts following key activities, regularly:

- Expert Lecture/ IndustryTalks
- Industry AcademiaConclave
- Industrial Visits &Internship
- MotivationalLectures
- Personality DevelopmentProgram

## ***Vision***

*“Endeavors to substantiate the career dreams of students by equating them to industrial parameters and in the process provide holistic individuals to corporate sector and the society”*

*To motivate & guide students into making smart career choices.*

*To promote industry interaction through lectures by industry experts, industrial visits, MoUs and conclaves.*

*To enable them to become ethical professionals with diverse skill-sets.*

## ***Mission***

*Will expose Technical students to industrial environment.*

*Provide possible opportunities to learn, understand & sharpen the real time technical/managerial skill required at the job.*

*Expose to the current technological development relevant to subject area of training.*

## ***Objectives***

*Create conditions conducive to  
quest for knowledge and its  
applicability on the job.*

## Departments of Civil Engineering

Standard penetration test conducted to determine relative density and the angle of shearing resistance of Cohesionless soil and unconfined compressive strength of cohesive soil for Jahangir Flyover.

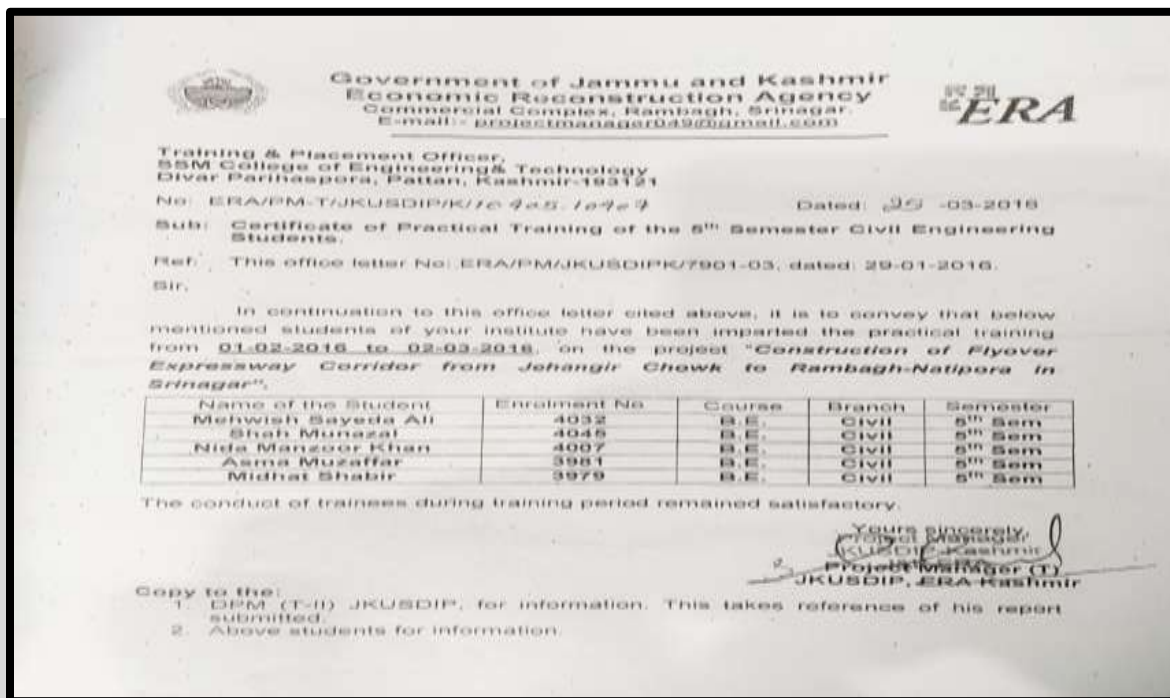

Tape Measurement survey of an area during Industrial Training conducted by students in Govt. of Public Work Development J&K.

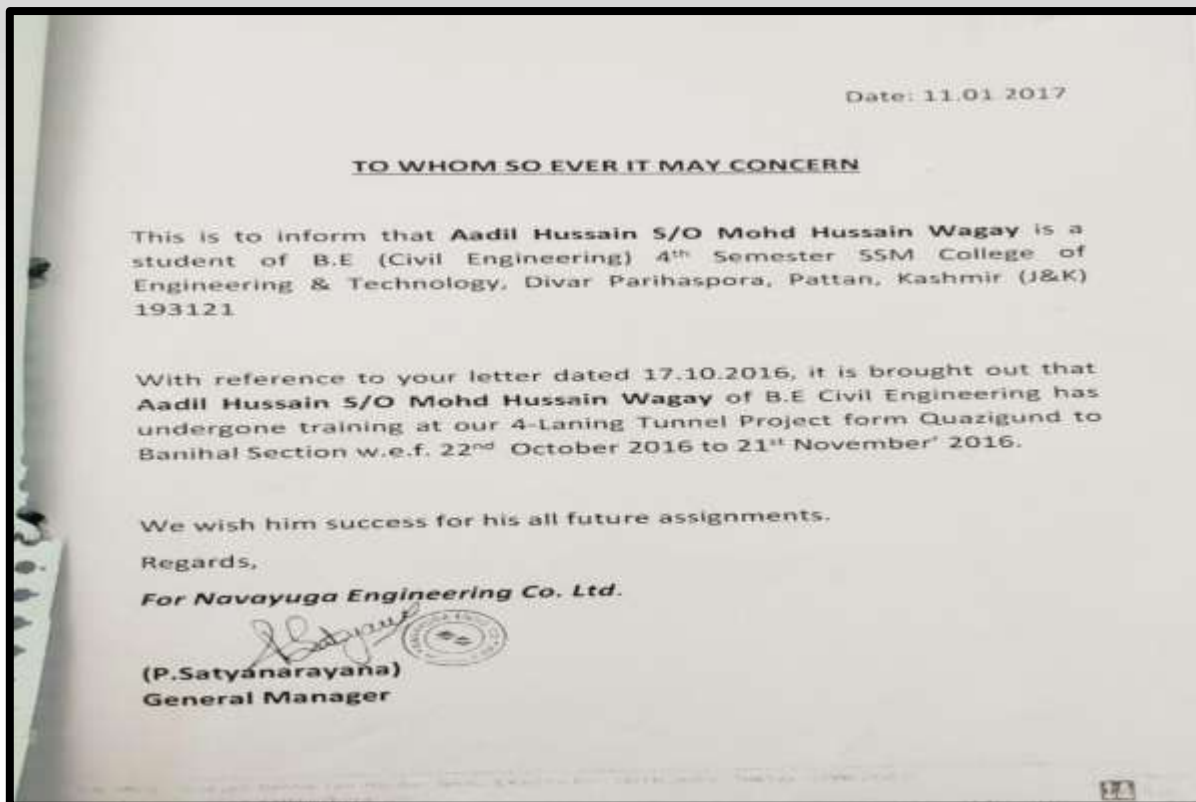

Construction of Villa under R&B at Khanbal Anantnag

Deck slab casting over construction of Jahanghir chowk to Rambagh Flyover Srinagar J&K

Certificate issued by JK-ERA of practice training at Construction of Flyover Expressway Corridor from Jehangir Chowk to Rambagh-Natipora in Srinagar.

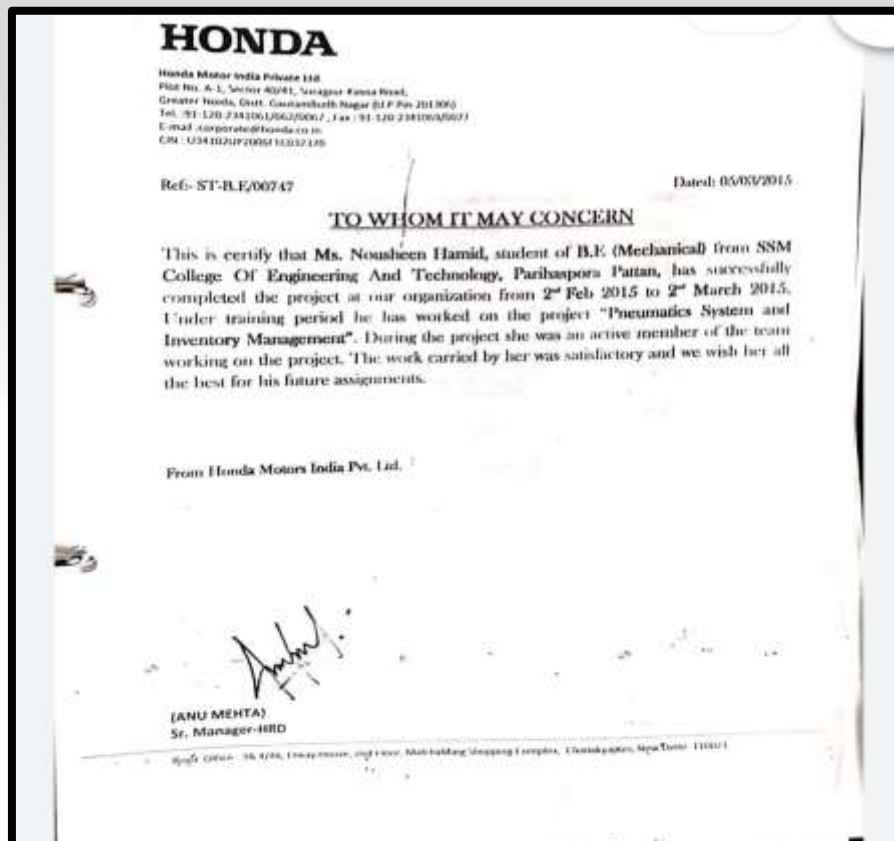

Certificate issued by Navayuga Engineering Co. Ltd. For practical training at 4-Laning Tunnel Project from Qazigund to Banihal

## Departments of Mechanical Engineering:-

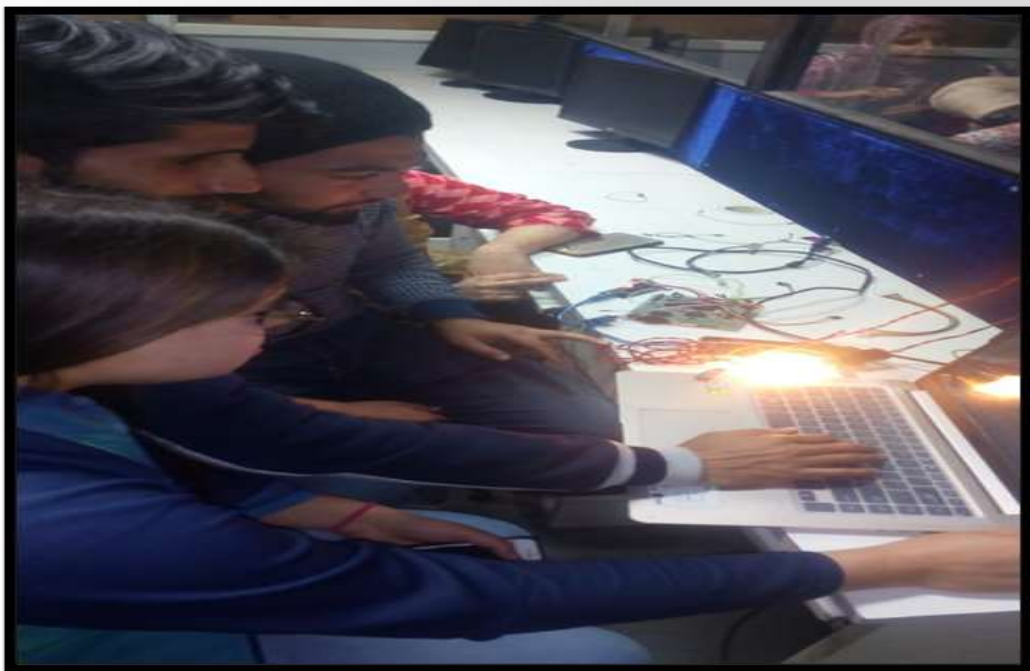

## Departments of Electronic & Communication Engineering:-

Project Work during Training at SETPA

Demonstration of project based on Embedded System

Visit to Baglihar power project Chandar-court

Industrial visit at Yakut Manufacturing Plant Sonipat, Haryana

## Hewlett-Packard Education Services

Awarded to  
**Azrah Rubanee**

For successfully completing training in Embedded & Robotics  
from 7-Jan-16 to 27-Jan-16 conducted at HP Nodal Training  
Centre, Noida with grade A+.

Vigneshwar Sharma  
Feb 05, 2016

On Behalf of HP Education  
A handwritten signature in black ink.  
Country Delivery Manager

Training Certificate issued by Hewlett-Packard Education Services on  
Embedded & Robotics project

## Departments of Electrical Engineering:-

Visiting site during Industrial Training at Generation Division USHP Kangan-II

Industrial Training visit at Power House Generation & Transmission Project

## Departments of Computer Science Engineering:-

Practical description at **NIELIT** Srinagar during Industrial Training

Visit to BSNL Srinagar during Industrial Training

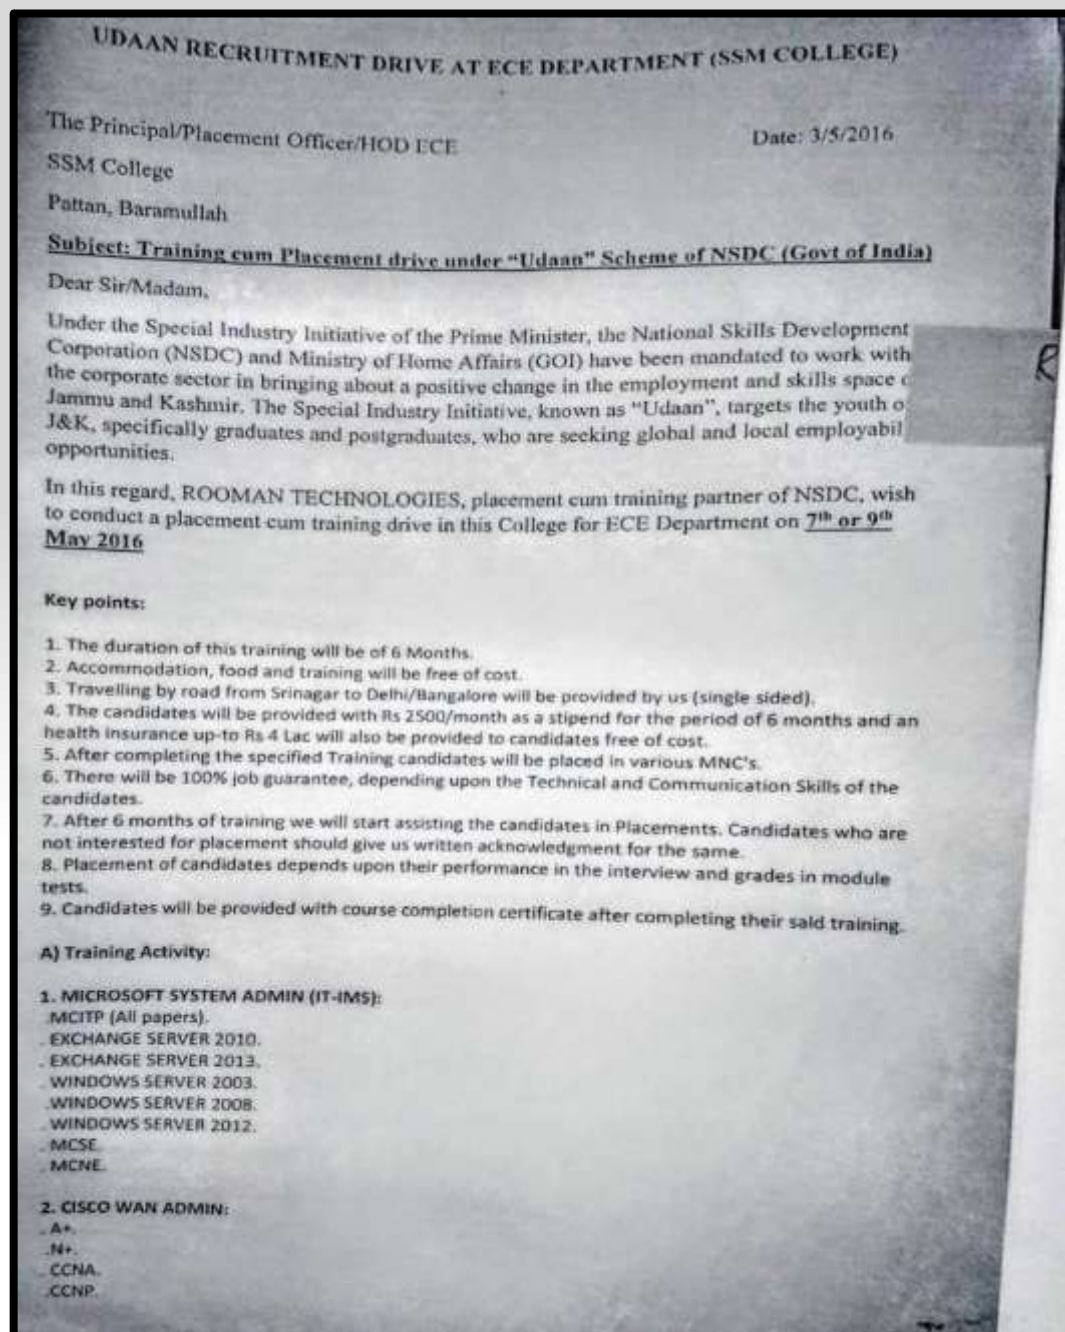

Certificate issued by **IAC Software Solution** on completion of industrial Training in JAVA & Android
