5.3.2 Presence of an active Student Council & representation of students on academic & administrative bodies/committees of the institution

Response:

Institution has a robust student council in place which takes care of various activities and issues pertaining to the students. Institute has a number of Committees aimed at welfare of the institution in general and students in particular. These committees have members drawn from students of different classes.

Representation of students on Academic & Administrative Bodies/Committees of the institution

Involvement in Academic Affairs:

Students participate in all academic, planning and auxiliary functions of the Institution. Every class has a class committee consisting of class coordinator from faculty side, class representatives from students. HOD is associated in supervising the activity. The functions of the class committee include:

1. Discussing problems experienced by students in the classroom and laboratories and any general problem.
2. Providing necessary information to the student representatives and details of regulations regarding weight-age used for each assessment. Class committee is constituted within the first week of each semester holds at least two meetings in a semester at appropriate intervals before the internal assessments.

Involvement in Administrative Bodies:

Institute established Internal Quality Assurance Cell (IQAC) which is looking into all facets of academic and overall performance on behalf of Administration. IQAC has representatives from faculty and students. IQAC is currently working to improve the academic performance of students and placement opportunities. Main role of IQAC team is to strive for overall improvement in the working of Institution hence a role for student participation by way of: -

- Monitoring academic performance of the students
- Obtain feedback from students to evaluate and improve the teaching/learning methodology.
- Participation in guest lectures, workshops, seminars etc conducted by departments and interaction with academic and industrial experts to keep them abreast with scientific and academic advancements.

Other Co-Curricular Committees:

Student Grievance: Committee addresses student grievances and maintains harmony and discipline among the students.

Anti-Ragging: Committee ensures zero ragging incidents in the Institute and also spreads awareness among students against any type of ragging activities.

Cultural: Committee co-ordinates various cultural activities and events throughout the year. “E-Tonner” is annual social gathering which showcases cultural talent of students. They also participate in Engineers Youth Festival, Debate Competitions, Sonzal (University of Kashmir), Tech-Fest of LPU and other programmes held at various educational and social platforms.

Sport: Committee organizes interdepartmental sports event. Our students actively participate in various sports in inter-College, inter-University, inter-State and National level competitions.

Magazine: Annual magazine ‘SPRING’ published by College Magazine Committee includes members from student community. Students express their talent in the form of articles, poetry, interviews of eminent personalities etc. This exercise inculcates social values in students.

Technical Activities: Every Department is having an active Student’s chapter associated with the Institution of Engineers, India (IEI). These chapters conduct various programs such as Expert lectures, Industrial visits etc. Students participate in various programmes and technical sessions of IEI and also join “Engineers Day”.

Extension Activities: Any education is incomplete without social awareness. Students actively participate in different activities such as Blood donation Camp, Swachha Bharat Abhiyan, Yoga day, Tree plantation etc.

5.4 Alumni Engagement**5.4.1 The Alumni Association/Chapters (registered and functional) contributes significantly to the development of the institution through financial and non financial means during the last five years****Response:**

Alumni Association/chapters (registered and functional) contribute significantly to the development of the institution through financial and non-financial means during the last five years. This association interfaces between the eminent alumni and the institute creating a strong network. Some of the students, intending to become self-employed professionals, are placed with those alumni already established as successful entrepreneurs. Alumni of the institution have also been instrumental in facilitating various technical/industrial site/field visits for the benefit of students of various semesters. Alumni Association is also part and parcel of various cultural activities organised by the institution.

The functions of the association are to foster warm relationship between Alumni and the present students resulting in the participation of Alumni in the developmental activities of the Institute, Also the association develops Industry-Institute interaction through Alumni members thus improving placement opportunities for fellow alumni/fresh graduates. The management of the activities of the Association is entrusted and vested in accordance by the Governing Body. The Governing Body includes President, Secretary, Treasurer and other members. The governing body meets at least twice in a year. The General Body meetings of the Alumni Association are held at least once in a year. The Alumni of different batches come together and have meets of their batches. Alumni association has successfully conducted such Alumni Meets as a regular feature. Alumni representatives are present in various statutory bodies:

Governing Bodies: Internal Quality Assurance Cell (IQAC) of the institute has alumni as a member who is involved in the development and application of quality benchmarks for various academic and administrative activities of the institution.

Departmental Advisory Board: Alumni are part of the departmental advisory board. They have active participation in the development activities of the department. They suggest changes in the course content and new courses to be introduced in various programmes.

Board of Studies (BOS) member: The alumni who are members of Board of Studies (BOS) are invited for the meetings wherein they play a major role in the process of curriculum improvement by suggesting changes according to industry standards.

Industry Expert: Some of the alumni work as an industry expert. Alumni who are working in different organizations share their professional experience with the students enhancing teaching learning process. This helps students for a transition from campus to corporate.

Internship & Entrepreneurship Awareness: Alumni from different domains help students to get internship at industry. The Entrepreneurship Development Cell (EDC) of the institute organises lectures by alumni to inculcate entrepreneurship skills in the students. Alumni are invited as judges for various technical competitions organized at the institute.

Alumni Feedback: The institute takes regular feedback from alumni in various issues which help in overall development of the students. They share their professional experience and make students aware of recent technologies and tools used in the industry
